

Missions Update Milt & Carolyn Monell

Serving with Global Prayer
Ministry of Cru USA &
Campus Crusade for Christ
Orlando, FL

Warmest May Greetings

We so appreciate your prayers for us! We have a lot of things on our schedule regarding prayer in the coming months. Here's an update and a few items to pray for:

First, thanks for praying for Cru's Worldwide Day of Prayer on April 22. The theme this year was "Fixing Our Eyes on Jesus!" Our theme verse is taken from Hebrews 12:1-2, "... Fixing our eyes on Jesus, the author and perfecter of faith..." Please continue to pray for our global movement as we seek to "Walk with Jesus!" Milt really enjoyed helping to put together the prayer-walk at our HQ called "Walk with Jesus". Pray God uses our prayers to keep us in step with Him these days!

Second, from May 15-24 Milt will be in Chiang Mai, Thailand for Cru's Global Prayer Council annual face-to-face meetings and our bi-annual (every 2 years) Global Prayer Summit face-to-face meetings which brought

Cru's global prayer leaders to gather to be encouraged and seek the Lord together.

Third, from June 2-7 Milt will be in Melbourne, Florida for Cru's Transformational Prayer Leaders Summit. Taking his second phase of the training, so he can better serve staff as we have prayer appointments at Cru

conferences throughout the year. Giving opportunities to serve others through prayer!

Please continue to join us in prayer in this season. We have heard that across the USA that Easter Sunday attendance was off the charts this year! God is up to something special in this day and time! Pray with us for God to continue to call us to turn away from the things of this world and turn toward Him with all our hearts. May He send Revival to His church and Awakening in the nations during this season of God's global harvest!

This summer from July 8-19 we will be back in Milwaukee, Wisconsin for Cru25 (our U.S. Staff Conference). We'd appreciate your prayers for that time. We will be leading an onsite prayer team for the conference and be ministering to staff through prayer during the time.

Please pray that Carolyn especially does well. For travel and adjusting to the schedule, as well as, the intensity of interacting with friends and ministering to Cru staff in prayer!

We appreciate your continued healing for Carolyn's Dad (Ralph Labbee) from his total right knee replacement. He is continuing to do well. The doctor's office is pleased with his progress. He has been doing his exercises and starting to taper off his pain meds. He does get sharp pain from time to time. Please pray for Carolyn and her brother as they will be caregiving for Dad while Milt is on the road the next 10 days.

Thanks so much for your continued prayers and partnership with us.

May the Lord draw your heart close to His,

Milt and Carolyn
