MISSIONS UPDATE - JIM & TERRY BRACELIN

Serving Others to See Deaf Saved and Serving

I am excited because my desk is filled with opportunities to serve Jesus! We have churches asking for help to start a Deaf ministry. We have information about our Deaf Camp. We have deaf people who have contacted us about raising money for mission trips. We are working to prepare for our Fantastic Saturday meetings. We have monthly emails sent to encourage leaders and ladies. We have deaf friends who meet us on the video phone, the cell phone, and through ZOOM for Bible study.

I must tell you about some of the things that have been happening around here ... and literally around the world! These events happened while we were at a Missions Conference in the spring. The Pastor called before the meetings and explained that all the other missionaries had cancelled. He was apologizing because we would need to do all the meetings. We were rejoicing! We had a great opportunity to present our heart for the Deaf and Silent Word Ministries. At the end of the week, we stopped to visit two men the Pastor knew in the area. They did not attend any church because no church in the area had a Deaf ministry. We had the joy of seeing one of the men saved that day! The other man was already saved. The men attended from that point on and the entire church was excited. The deaf men asked on the last day if we were going to be there the next Sunday. We told them we would not. They asked what they were going to do? Praise the Lord, we have returned to that church and started teaching Sign Language so these men can have a church to attend!

The second exciting thing is an opportunity the Lord has blessed us with from our home office in Spring City, PA. We learned of a deaf lady in Malaysia who wanted to do a Bible study. We meet with her at eight o'clock in the morning on Wednesdays. It is eight o'clock at night in her country. Soon she asked if a friend could join us. We were excited to invite a new person. Her friend was a young deaf man also in Malaysia. We had the opportunity to lead him to Jesus and watch him on the other side of the world pray to receive Him as Savior and all from our home here in PA!

We continue to rejoice in the open doors God has provided for us. As Ted Camp has often said, "We did not seek the ministry ... the ministry has sought us." These opportunities we have are not because of us. They are because God has a heart to see the deaf saved in towns in northwestern, PA as well as in Malaysia! Please continue to ask God to open exciting doors like this for us to walk through and serve! We love being a part of God's plan to reach the world with you.
