

OUR MISSIONS PROGRAM

At SABC, involvement in missions has always been a top priority. We believe it is God's desire that local churches seek to reach others with the gospel. In obedience to this command, we invest in the lives of those who are specifically called to Christian ministry. We care for our missionaries by:

- Communicating with them regularly to understand both their on-going and special needs.
- Providing resources through financial giving (our goal is 35% of our annual budget).
- Supplying our members with regular prayer updates and reserving the first Sunday evening of every month for corporate prayer.
- Welcoming missionaries as guest speakers throughout the year.
- Welcoming visiting missionaries into our homes while they are on home assignment.
- Holding an annual missions conference.
- Appointing a missions committee and a missions treasurer to oversee these goals.

WITH PRAYER & FINANCES, WE SUPPORT:

- 12 Missionaries
- 7 Organizations
- 8 Mission Boards
