MISSIONS UPDATE - CHILD EVANGELISM FELLOWSHIP

Reaching Children Together This Summer

Help Support Summer Missionaries: As most young people will be preparing for a summer of fun and little responsibility, two local girls will be donating their time to lead local 5-Day Clubs® and Vacation Bible Schools in churches, community centers, and other locations.

Our missionaries participate in a pretraining weekend at Camp Good News in Afton, New York, and a week-long intensive training at Rock Mountain Bible Camp in Pennsylvania. These missionaries take the Gospel to children, ages 6-12, in Broome, Tioga, and Cortland counties.

Preparation for such important work is expensive. The financial responsibility for these missionaries is \$439 per person. Our local office does assist with some expenses such as travel costs to and from each event. Can you help send Lauren and Evelyn for training so that they can help local children to hear about a Savior who loves them? Thank you for helping to prepare new missionaries!

Coming Changes

"To every thing there is a season, and a time for every purpose under the heaven..."
Ecclesiastes 3:1

I moved to this area in August 2012 with many years of experience in CEF ministry in three different states. God called us here from Indiana. Little did we know that it would be necessary for us to be here to take care of my mother who lived in Oneonta as she deteriorated with Alzheimer's and my sister as she battled cancer.

God called me to reach the children for Christ. I could not do that alone, so many of you came along side me giving, praying, volunteering, and sacrificing so that children could learn about God and become part of His family. The Lord has blessed the work not because of me, but because of each of you who contributed what you could to the work. Many children have come to know the Lord and have grown in their faith. It has been a privilege serving here with you!

Now the Lord is calling us back to Ohio to be near family. We have purchased a home and the transition has begun. I will, however, continue to do the training for the summer months. Though we expect to physically move sometime in July, I will be working remotely for several months to assist with special projects, training and establishing fall clubs in this area. Please pray for a new director. In the meantime, David Grate will continue in his administrative role in the office and the committee will take on more leadership roles.
