

Missions Update
Cameron & Katy Pryor
Church Planting, Tribal Ministry
Guinea, West Africa
Serving with Ethnos 360

March 2024

A lot has happened since we last sent an update! In our last letter we were still in Guinea, and now we've been Stateside going on 3 months! Our trusty van has taken us about 8,000 miles across many states in that time! We had the privilege of speaking at a missions conference and at another church.

Since Cameron is a part of the Child Safety Team for West Africa, we were asked to attend a Missionary Kid (MK) forum, where we were given resources and learned how to serve our MKs better.

Between the missions conference and the forum, we camped in the beautiful state of Florida as a family, which we found extremely relaxing in the midst of a busy time.

We've also enjoyed the little bit of time we've gotten to spend with some of our family, friends, and church. When I saw all the shoes at our door, it made my heart happy, because it meant we had friends visiting!

What's ahead for us and our ministry? We'll be flying back to Guinea the beginning of May. In the long run however, we have been praying and talking with our different leaders and are considering a change of ministries during this season of our kids being high school age. This is a huge decision with a lot of implications, so we cherish your prayers.

Thank you for being a part of this ministry!

Cameron, Katy, Gracia, and Calvin

SUMMER OPPORTUNITIES
Planning & Prayer

Vacation Bible School
Breaker Rock Beach
July 15-19, 2024
In the Afternoons

Instead of traditional VBS this year our church is seeking to hold 5-Day Clubs in our community. We plan to use materials created for VBS and modify them to fit this venue. We are targeting July 15-19 in the afternoon for our clubs.

Do you live in a neighborhood where there are children in grades K-6? And if so, would you consider allowing us to use your yard? We would take care of everything.

Or, do you have contact with a place in the community where children live nearby where we could hold a club? If you are interested in helping us find locations please reach out to Sharon Colavito or Nancy Crane.

If you are an adult interested in helping with this effort, or a youth who has completed 6th grade and up, and want to share how you are interested in being part of this exiting event, please join us on:

Wednesday, April 24th at 6:30 pm

To prepare for our clubs, we will hold teacher training classes on Wednesday evenings following this meeting, specifically to train our youth on how to teach and lead these clubs in lessons, songs, games, greet and get to know children.

Please Pray:

- Pray for our youth to catch the vision to reach our community for Christ and share the love of Jesus.
- Pray for the children that haven't yet heard the gospel to get to hear the good news of salvation.
- Pray that we are able to show God's love to our community.

REGISTER ONLINE:

The marriage conference is provided at no cost! Please help us plan by registering online.

CHILDCARE PROVIDED:

To help us plan, let us know how many children will be attending by registering in advance.

Fulfilled marriages are characterized by well-defined boundaries and fulfilling activities. We see both of those characteristics grounded in God's activity during the Creation week. Thus, we can say that, among other things, Genesis 1-3 serves as a paradigm for building a home God's way.

By taking a close look, we can learn important principles that will help married couples (and those wishing to be married one day) establish their home in a solid foundation that will allow them to experience a marriage that brings delightful fulfillment.

MEET OUR SPEAKER: Dr. Roger DePriest has been in full-time pastoral ministry for approximately 40 years. In whatever role he has served

(e.g., pastor, church planter, chaplain),

he has always carried on an active

ministry of teaching, preaching, and

biblical counseling. He is an ordained

Baptist minister and holds a PhD in

Biblical Studies. He is also a Level 2 Certified

Biblical Counselor with ACBC and is a Faculty Associate with Virginia Beach Theological Seminary where he serves as the Professor of Biblical Counseling. Roger and his wife, Susann, have been married 45 years (as of June 2024) and have five sons and thirteen grandchildren. They are both active members in their local church, where Roger teaches an Adult Bible Study each Sunday.

Postcards are available at the Resource Center.
