

SUTTON, ALASKA
TAKING THE GOSPEL WHERE
CHRIST IS NOT KNOWN

August 2024

Dear Kingdom Air Corps' Prayer Partners, Volunteers, and Supporters,

This summer is the 25th anniversary of Kingdom Air Corps. This has led to a huge appreciation for you, each one of you from all over the United States, and from many places in the world. Without you, we could not have progressed in the ministry like we have. But as a team, much has been accomplished for the Kingdom of God.

Our vision has not changed: To obey Christ's command to "go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you" (Matt. 28:18-20). Our part in this Great Commission is to train missionary pilots to fly to the isolated and unreached people in the world, share the gospel, make disciples of those who believe, and plant churches. In Rev. 5:9, we read that God will have people "from every tribe and language and people and nation" in his Kingdom. Our world population is eight billion people. Though Jesus encountered a fraction of that number, he said, when seeing the crowds, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field" (Matt. 9: 37-38). How much greater the harvest is now! So many workers are needed! Kingdom Air Corps is asking the Lord of the harvest for more workers and the infrastructure to train them.

Kingdom Air Corps desires to train greater numbers of missionary pilots to serve around the world. Our Board has prayerfully considered how we might grow, and approved a master plan with targeted growth in three areas.

1) Increase the number of missionary pilots in flight training.

We will increase pilot training gradually until we reach 60 students per year. This additional training means increased aircraft and facilities maintenance, utilities, and other operational costs.

2) Develop the property to accommodate the growth.

Our architect has sketched a plan to construct a large central building with kitchen and dining facilities to feed 300 and host events for up to 400 people. This building will be the hub of ministry, equipped with meeting rooms, offices, and a children's center. Housing will be built for our growing staff, and an RV park constructed to house volunteers and work teams.

3) Expand spiritual training for missionary staff and flight students.

New seminars, called our "Spiritual Discovery Series" have been underway all summer, bringing spiritual enrichment and better equipping us to make disciples in various cultures.

You, each of you and all of you, are our first line of partners. We ask you to support us in three ways:

- 1) Pray for leadership to have wisdom in planning. Pray for workers. Pray for finances.
- 2) Serve with us as we build—we'll need workers of all kinds: construction, plumbers, electricians, cooks, kitchen workers, and many others.
- 3) Give as the Lord leads to support sustainable growth. The infrastructure will be costly. Every one of your gifts will help. We ask especially for monthly giving commitments as the Lord enables. If each of you were to give each month to help us train missionary pilots, we could develop a sustainable growth plan based on a dependable monthly income.

With much love and appreciation, Dwayne King

Start inviting others as we desire neighbors and those from the community to join us. Sign up on the bulletin board and see Jen Dodge if you have questions.

Save the Date

Our Sympathies

We wish to express our heartfelt sympathies to the Walter family as Pastor James Water finished his race on Wednesday night. He is resting peacefully now in his savior's arms. *“Well done, good and faithful servant.”*

Missions Conference

September 25-29, 2024

Send & Go: Striving Side-by-Side

Only let your manner of life be worthy of the gospel of Christ, so that whether I come and see you or am absent, I may hear of you that you are standing firm in one spirit, with one mind
