

Missions Update Life Saver's Ministry

Mission & Vision:

No need is too small and no voice is too quiet to be heard. We will devote the time and energy necessary to educate, advocate and walk alongside women and families in desperate need to ensure that our pro life work is holistic, relevant, and devoted to both the physical and spiritual life of those whom we serve.

Life Savers ministries began in 1985 as an outreach of Perth Bible Church in Amsterdam New York where it operated for over 15 years offering a pregnancy helpline, shepherding homes for pregnant women to stay with Christian families, as well as providing material support to pregnant women.

At that time adoptions were facilitated through the ministry as well. In the early 2000s it became evident that the ministry needed a larger space and needed to be closer to the most high-risk communities. In the years that followed, the ministry moved to Gloversville New York where it continues to occupy a three-story building.

We truly are a resource for women and families from pregnancy through every phase of life in an effort to uphold life and see lives changed through the Gospel message.

Life Saver's Ministry Offers:

- Bible study
- Parenting Classes
- Diapers & Formula
- Clothing Assistance for Families
- Christian Camp and Education Scholarships for At-Risk Youth
- Support for Families Engaged in the Ministry of Foster Care
- Growing Home School Tutoring Program to Meet the Needs of the Community
- Pregnancy Testing
- Prenatal Counseling
- Workshops for Court-Mandated Parenting Classes

It is our hope to see a full-fledged Christian counseling center develop in the years to come and to continue to grow our impact capability in a very at-risk community.
